Fr Tino - Sup at 'Raiatea' is pictured above with half of our new Solar Panels. The technicians [R] connect the Solar to the **Suva** supply. The panels have a 25 Yr warranty, and will pay for themselves in 4 Yrs: after that the 'Raiatea' power bill will be half of what it is now. With gratitude to the Marist Mission Centre Australia for helping fund this Project.

Hohola-PNG-on the Move

Our Community at Sacred Heart Parish, Hohola, are pictured above: L-R: **Justin Ratsi** [Sup], **Mika Misinale** [TG-MME], and **Austin Magara** [V.Sup]. To prevent erosion, and beautify the compound, a retaining wall is being constructed. The **Community House** [rear, Rt] is also to be re-built. A new **WiFi** system is now in place since the arrival of Mika. Mika is teaching at the **La Salle Institute** [rear Left].
