Merry Christmas and Happy New Year

**Fr Kelekolio Misiloi sm** blessed the foundation of one of the churches that they build in Big Bay Vanuatu. The fund for this church was raised mainly by the people of Longoteme, Tonga, who lived in Australia. They donated AUD \$ 63000.00 toward this project. Longoteme is the only Marist Parish in Tonga. We have three Marists working at Bigbay. Fr Kelekolio Misiloi and Fr Isileli Lino sm from Tonga, and Fr Richard Harui is from Malaita Solomon. The SM community is working very well with the local people.

Left and Right are the community, men, women and children that came together to build their church

Left—'Ofa 'Akau'ola Tupola and Losalio Mataele representing the Tongan Marist 3rd order in Sydney Australia, presenting a AUD \$ 8700.00 as their donation toward the renovation of the residence of the Marist Fathers and Brothers at Hohola, PNG. Right. are some of the members of the 3rd Order.
