PROVINCIAL ADMINISTRATION VISION & MISSION

OUR VISION FOR 2018-2020

One Heart and One Mind, for Life and Mission

Our Mission For 2018-2020

In embracing the Marist Charism which inspired the early Marists and recommitting to enliven the ideals of the Gospel in the way of Mary, our First and Perpetual Superior, we, the **Provincial Administration** are committed to:

- Search with courage and imagination, creative ways to renew our personal and communal commitment through contemplation and deep prayer.
- Caring for each other as an expression of our common life and be grateful for each confrere's contribution to the life and mission of the Province.
- Affirm and strengthen our identity as Marists through ministries of hope to the poor and the youths and inviting back to life and mission our confreres on the margins of the Society.
- Deepen the understanding of confreres of the reconfiguration that is taking place in the Province.
- Strive for a higher level of professionalism in preparing confreres to generate a more rapid and wise response to current mission needs.
- Promote sustainable personal and communal living
- Seek "partners in mission" from lay Marists

In living out our mission we hope that the vision of **One Heart and One Mind for Life and Mission** in the Province will be achievable.
