Week Seven Community Reflection in Preparation for Council of the Province Meeting 30th of June to the 5th of July 2018.

For Reflection...

General Chapter 2017 Decision # 9d “Seek ‘partners in mission’, most obviously from within the Marist Family – especially lay Marists.”

Provincial Chapter 2017 Statute # 50 “Marists in collaboration with other branches of the Marist Family, put themselves at the service of the Marist laity “to make the whole world Marist” and to give the Church – servant and poor – a Marian Face. In Fidelity to our origins we want to develop a strong collaboration with the other branches of the Marist family, wherever it is possible, especially in sharing our Marist Vision.”

For the Report: What are the current ways of collaboration with the Marist Family in the Sector?

What are creative and practical ways in which the Sector can strive to increase collaboration with the Marist Family in the Sector?
